

“Two-thirds of your payroll and HR management costs are hidden.”

The hidden reality of payroll & HR administration costs, 2011, PwC

LAC Group will bring them into the light.

Payroll service providers are growing into Professional Employer Organizations (PEOs) offering workforce administration, time and attendance and other HR functions besides payroll processing.

Now this cost-saving alternative is ripe for savings itself.

MONITOR COSTS AND GAIN THE BEST TERMS FROM HR ADMIN PROVIDERS

LAC Group will help you determine the best HR administration option for your business by evaluating vendors, reviewing and managing existing contracts and negotiating new contracts.

We ensure you receive every advantage based on your size, industry, locations and other benchmarking data.

FIVE-STEP FRAMEWORK

LAC Group has years of in-market experience and data to demonstrate the success of our five-step framework for spend management success:

1. Current state assessment
2. Program design
3. Program implementation
4. Vendor management
5. Periodic audits and benchmarking

This framework is the foundation for the programs and services we customize for all spend categories – including payroll and HR administration – and every client’s needs and circumstances.

You saved money by outsourcing your payroll and HR administrative functions to PEOs and other providers. Now it’s time for the next level of savings potential that we will uncover by monitoring vendor performance.
